

NATIONAL ART WORKERS COMMUNITY

ARTISTS' INSURANCE QUESTIONNAIRE

The National Art Workers Community is in the process of setting up an insurance plan--health, accident, retirement, fire, theft--for art workers, at prices they can afford. We have discovered that, while it is easy enough to find salesmen who want to write insurance, it is hard to come by a really meaningful plan, including all the above categories. The results of this questionnaire will be useful in determining the extent of need among artists and may also prove valuable in obtaining reduced rates through government subsidy for artists' insurance. Please fill it out and mail it to NATIONAL ART WORKERS COMMUNITY, 48 West 22nd St., New York, N.Y. 10010. The questionnaire is a self-mailer; you can just fold it over and seal it with tape.
